

ATTRACT

YOUR PERFECT MATCH:
FACESTOCK MEDIA FOR LABEL PRINTING

THE FIRST IMPRESSION COUNTS.

Label printing that lasts.

Digital printing is the growth segment within the label industry as the demand for personalisation and individualisation of labels is growing continuously.

We are the perfect match: Our facestock is the right choice for high-quality products, information as well as speciality labels.

EXPERTISE SINCE 1895

The Felix Schoeller Group is a family business with worldwide operations, and has through the years delivered constantly high customer value through cutting-edge products and know-how. We develop products and market specialty papers for photographic applications, digital printing systems, the packaging market, self-adhesive applications and the furniture, wood-based products and wallpaper industries.

LEADING QUALITY

We combine our comprehensive knowledge and thorough coating know-how on complex colour receiver layers with the high-quality demands on paper of the photographic industry with the most sophisticated machines and technologies. Our papers provide consistent results of the highest quality.

EXTENSIVE PORTFOLIO

Explore our comprehensive facestock media offering with special surfaces and diverse features for all digital printing technologies. It offers unlimited scope for your customers from information labels, highest-quality product labels to specialty labels and premium photo stickers. The applications are as diverse as our portfolio is.

PARTNERSHIP We are looking for long-lasting partnerships and aim for mutual growth and development.
