Statement for fiber usage

All fiber raw materials used in the mills of Felix Schoeller have been harvested and procured in compliance with the

- EU Timber Regulation (EUTR, no 995/2010)
- UK Timber Regulation (UKTR; Published 2014- Update 04. Feb 2021)
- Lacey Act (18 USC 42-43; 16 USC 3371-3378)
- Australien Illegal Logging Prohibition Act 2012

as well as with applicable laws in the country of harvesting.

We confirm that we exclude timber with unknown or illegal origin from the supply chain. This can be guaranteed by using only fibers with a certain level of FSC certification (FSC CoC or FSC CW).

According to the IKEA IWAY Forestry Section Ed 5.4, we fulfill our obligation to mention the wood origin and species.

We use only ECF Pulp.

This statement includes in the appendix all necessary and relevant information on our supply chain and due diligence system to ensure the compliance with the listed laws.

i.V. Deny Figueiras
Senior Expert QSU

i.V. Dr. Andreas Overberg
Head of Raw Materials Management

Appendix: Fiber Information
