## Statement for fiber usage (valid from 01.04.2026 on until further notice)

All fiber raw materials used in the mills of the Felix Schoeller Group have been harvested and procured in compliance with the

- EU Timber Regulation (EUTR, no. 995/2010)
- UK Timber Regulation (UKTR; published 2014 - Update 04. Feb 2021)
- Lacey Act (18 USC 42-43; 16 USC 3371-3378)
- Australian Illegal Logging Prohibition Act 2024

as well as with applicable laws in the country of harvesting.

We confirm that we exclude timber with unknown or illegal origin from the supply chain. This can be guaranteed by using only fibers with a certain level of FSC® certification (FSC CoC or FSC CW).

We use ECF Pulp.

This statement lists all necessary and relevant information on our supply chain and due diligence system in the appendix to ensure compliance with the above-mentioned laws.
